STUDENTS NAME _____ RANK _____

Dear Neighbor,

At Asheville Sun Soo Tae Kwon Do we encourage our students to demonstrate consistent, respectful, responsible and positive behavior in all areas of his or her life, including good relations with neighbors.

To support this positive attitude, and before our students can test for their next rank, we require this form to be returned back to our martial arts school with your comments about how our student (and your neighbor) has shown great character building traits in the neighborhood.

Our students can exhibit this positive behavior in many ways. Just a few of the possibilities include:

<p><i>SHOW RESPECT</i></p> <p>Be extra polite. Say “yes sir” and “yes ma’am”. Listen to what your neighbors say and respond respectfully.</p>	<p><i>CLEAN YOUR PROPERTY</i></p> <p>Keep your property clean and picked up. Grass cut, leaves picked up, shrubs trimmed, trash picked up. Part of being a good neighbor!</p>	<p><i>BE KIND TO YOU NEIGHBOR</i></p> <p>Offer to help a neighbor with a project – or to care for pets and the mail when they are gone. Say hello and ask how they are doing. Offer to baby sit.</p>
<p><i>SHOW APPRECIATION</i></p> <p>Show appreciation by thanking your neighbors for whatever way they may contribute to you and your family. Also, acknowledge them for the good things you notice about them!</p>	<p><i>BE DEPENDABLE</i></p> <p>Follow through on any commitments you’ve made to your neighbors. Let them know that they can count on you!</p>	<p><i>GO ABOVE & BEYOND</i></p> <p>Do something to help your neighbors when they least expect it! Do something extra special, something that you don’t ordinarily do. Pick a bouquet of flowers, bake an extra tray of cookies, offer tomatoes from your garden. Be creative!</p>

My neighbor _____ showed great character in the following ways:
